Soft Skills: Effective Communication, Time Management, Team Collaboration, Problem-Solving, Hardworking, loyalty and commitment

Work Experience:

Frontend Developer Intern-Clouds Nepal Web

24 Aug 2025 – 17 Dec 2025

- Developed responsive frontend web applications and user interfaces.
 - Worked on projects including:
 - Food Ordering System
 - Portfolio Website Clone
 - Electronic Store E-commerce Website
 - Improved skills in frontend development, teamwork, and project handling.
-

Projects:

Academic Projects:

Fullstack Web Development- Bike Rental System

The language used to build the project is: **React.js, JavaScript, TypeScript, HTML, CSS, Node.js, Express.js, MongoDB, Mongoose.**

Description of the Project: Developed a dynamic bike rental web application for user registration, identity verification, bike booking, eSewa payments, and admin management of bikes, users, bookings, and reports.

Artificial Intelligence-Heart Disease Prediction

The language and tools used to build the project are: **Python, Jupyter Notebook, Pandas, NumPy, Matplotlib, and Scikit-learn.**

Description of the Project: Developed a machine learning-based heart disease prediction system that analyzes patient health data and predicts the presence or absence of heart disease using Logistic Regression, Random Forest, and Gradient Boosting classification algorithms.

Land Rental System

The language used to build the project is: **Python.**

Description of the Project: Built a basic console-based application for managing land rental information as part of coursework.

Printer Website

The language used to build the project is: **HTML, CSS, JavaScript**

Description of the Project: Collaborated on building a fully responsive printer website with clean layout and user-friendly interface.

Training and Certifications:

[AWS Academy Cloud Foundations.pdf](#) [AWS](#)

[Academy Data Engineering.pdf](#)

[AWS Academy Machine Learning Foundation.pdf](#)

[AWS Academy Machine learning for Natural language processing.pdf](#)

Awards / Achievements:

- Secured 2nd position in Futsal Tournament at Islington college.

Others:

- **Languages:** English, Nepali, Hindi (Fluent)
- **Interests:** AI and working on collaborative tech projects.
